Your Guide to Connecting the Defence Procurement Supply Chain

PROGRAMME SPONSORED BY:

► Exclusive Show 10% Discount Offer ◀

cyberessentialsonline.co.uk/DPRE

Cyber Essentials certification is a minimum requirement for contracts where MOD Identifiable Information is transferred, stored or accessed electronically.

Cyber Essentials is the government-backed and industry-supported scheme to guide businesses in protecting themselves against cyber threats. Ensure that your organisation is compliant and gains a competitive edge through certification.

Meet Us On Stand Number 1

dcicontracts.com

The market-leading business intelligence solution for suppliers looking to win more business in the defence sector. DCI publishes over 80,000 defence tender and award notices each month. Learn about opportunities that await your business at the Defence Market Engagement Zone.

defenceonline.co.uk

One of the fastest-growing communities of key decision makers representing buyers and influencers within the MOD, Defence, Prime Contractors and Industry. Providing news, insight and intelligence, Defence Online allows organisations to engage directly with a range of sector-based solutions, designed to enhance their knowledge and understanding of this ever-evolving marketplace.
